

TARTE SAMIKSHA SOMINATH

PROFESSIONAL SUMMARY

Detail-oriented Computer Science student with strong technical fundamentals in C++, Java, Python, Flask, and SQL, alongside hands-on experience in Full-Stack Web, Android, and Data Science application development. Proven track record of academic excellence (91.65% in Diploma) combined with collaborative problem-solving and software engineering practices.

TECHNICAL PROJECTS

Job Application Tracker (Full-Stack Web App) | Mar 2026 – Apr 2026

Python, Flask, JavaScript, HTML/CSS, JSON

- Built a full-stack job tracker web application featuring a dynamic calendar view, search functionality, and JSON data management.
- Designed an HR Dashboard module to streamline candidate management across All, Selected, and Rejected pipelines.

Diabetes Prediction Model (Data Science) | Nov 2025 – Jan 2026

Edufyi Tech Solutions Pvt. Ltd — Python, Scikit-Learn

- Engineered a predictive machine learning classification model using Python on the Pima Indians Diabetes Dataset.
- Preprocessed and cleaned raw datasets, performing feature selection and exploratory data analysis (EDA) to optimize prediction accuracy.
- Collaborated with team members to test, debug, and validate model performance metrics.

Women Safety Application (Android Development) | Jun 2024 – Jul 2024

Mountreach Solution Pvt. Ltd — Java, XML, Android Studio

- Designed and developed a native Women Safety Android Application utilizing Java, XML, and Android Studio.
- Implemented core safety features enabling user alert triggers and emergency response handling.
- Applied structured software development practices to build small-scale mobile applications efficiently within deadlines.

WORK EXPERIENCE

Data Science Intern | Nov 2025 – Jan 2026

Edufyi Tech Solutions Pvt. Ltd — Chh. Sambhajinagar, Maharashtra

- Gained hands-on experience in end-to-end data processing pipelines and machine learning implementation.
- Participated in cross-functional team discussions to address technical challenges and optimize solution workflows.

Android Developer Intern | Jun 2024 – Jul 2024

Mountreach Solution Pvt. Ltd — Chh. Sambhajinagar, Maharashtra

- Developed customized UI layouts and functional components for Android applications.
- Exercised systematic troubleshooting and debugging methods to resolve technical obstacles during development cycles.

EDUCATION

B.Tech in Computer Science & Engineering (CSE) | Expected Jun 2028

DIEMS College, Chh. Sambhajinagar — Current CGPA: 7.44

Diploma in Computer Engineering | Completed Jun 2025

Government Polytechnic College, Chh. Sambhajinagar — Score: 91.65%

Secondary School Certificate (SSC) | Completed Mar 2022

Z.P. High School, Jategaon, Chh. Sambhajinagar — Score: 92.80%

TECHNICAL SKILLS

PROGRAMMING LANGUAGES

C, C++, Java, Python, JavaScript

WEB & ANDROID DEV

HTML, CSS, Flask, XML, Android Studio

DATABASES

MySQL, Firebase, XAMPP

DEVELOPER TOOLS

Git, GitHub, VS Code, Sublime Text, Postman

CERTIFICATIONS

- NPTEL: Introduction to Quantum Computing
- Google: Solution Challenge Participation Certificate
- Data Science: Professional Internship Certificate
- MS-CIT: Information Technology Certification
- Hackathons: Participation in multiple competitive hackathons

LANGUAGES

- Marathi (Native)
- Hindi (Fluent)
- English (Professional)
